

nature walk check list

Through the meadow let us walk,
and see what wonders the season has brought.
Skipping, skipping, let us go,
as the breeze blows to and fro.
But watch your step and look where you go!
Here is a creature tiny and slow.

- Tiny backpack and/or parent backpack
- Water + Snacks
- Tissue, cloths, or wipes
- Magnifying glass or microscope
- Small first aid kit
- Bug viewer
- Sketchpad + pencils
- Containers for samples
- Small shovel
- Camera
- Binoculars
- Net
- Bird book
